Better detailed Area Maps can be found at [www.ColoradoTrials.org](http://www.ColoradoTrials.org) under the Event Maps page.

You will notice that it is 5 miles from highway 24. Then take the first left on Corral road. Also just across from the turn will you will see a Deer Crossing sign so finding it will be easy.

***Please note that this is a dirt road with houses on either side so by keeping your speed down this will keep the dust to a minimum.***
